

2020 Consumer Engagement in Healthcare

Obtain new national data on the growth of high-deductible healthcare plans, the evolution of value-based health insurance design, and the impact both have on the behaviors and attitudes of modern consumers. Sponsor the 2020 CEHCS to contribute to this year's questionnaire topics and explore your areas of interest to gather valuable insights as a leader in your industry.

What Do You Want to Explore?

- HDHP and HSA-eligible health plan enrollment
- Telemedicine and other non-traditional fields
- Workplace health and wellness programs
- Consumer satisfaction and decision-making
- [Contribute your topic to this year's survey](#)

Why Sponsor?

Get your Questions Answered

- Share input on questionnaire topics
- Obtain exclusive access to full survey results
- See special data on key target markets
- Engage with the experts for deeper findings

Give Your Brand a Boost

- Use data to inform strategic business decisions
- Get featured in survey reports and articles
- Generate awareness from webinars and events
- Support your sales, marketing, and PR efforts
